#### Corporate Social Responsibility (CSR)

#### TCIL CSR & Sustainability for FY 2013-14

TCIL is committed to conduct business in a socially, economically and environmentally responsible and sustainable manner, which enables the creation and distribution of wealth for the betterment of all its stakeholders, internal as well as external, through the implementation and integration of ethical systems and sustainable management practices.

#### TCIL CSR & Sustainability policy

The Corporate Social Responsibility and Sustainability Policy of TCIL has been amended in compliance with the new CSR & Sustainability guidelines and is duly approved by the Board of Directors of TCIL.

This Policy shall serve as the referral document for planning and selection of its CSR and Sustainability activities.

#### Organizational Structure for Planning, Management and Monitoring

TCIL constituted a two-tier organizational structure for planning, management and monitoring of its CSR and sustainability activities to steer its agenda in the desired direction.

A Board level committee headed by the Chairman and Managing Director (CMD) has been constituted to oversee the implementation of the CSR and Sustainability policies of TCIL.

At the second level, a team of officials headed by a nodal officer has been constituted. 2-tier CSR & Sustainability committee constitutes:

- 1. Executive Director (Technical) : Nodal Officer
- 2. General Manager (LPF) : Committee Member
- 3. General Manager (DC) : Committee Member
- 4. General Manager (QMS) : Committee Member

#### CSR & Sustainability targets for F.Y. 2013-14

- Tele-education Network for delivering education in under developed regions- Preparation of Detailed Project Report and Implementation Plan
- Setting up of Solar Generation Infrastructure- Preparation of Project implementation plan.

- Installation of 50 LED tube in place of Fluorescent tubes in TCIL Bhawan.
- Seminars/workshops/training sessions organized to sensitize employees and changing their mindset.
